## Update from Abraham Thomas

Jenifer's father was born into the highest Hindu caste. He heard the gospel and received Christ. Because of this, he was ostracized by the family. He married a Christian woman, and they did missionary work in northern India.

Unfortunately, he became very ill and unable to work. Because of his illness, Jenifer and her three siblings (one sister and two brothers) came to our care.

Jenifer was 7 years old when she came to live in our Bethel home. After she came to Bethel Home, she accepted Christ as her Savior and received baptism.

Her parents moved to Tamil Nadu since father couldn't do ministry in north India. God began to heal him, and he started a church in his home. God brought several Hindu neighbors to the Lord. They are so thankful for BCH support. Jenifer has completed high school and now is in her third year of her nursing degree in Tamil Nadu

**Abraham Thomas**  
Country Director, India

Jenifer is a 3rd year nursing student.  
Thank you for supporting her!
